Description

Description:	<p>We are selling a stone, traditional villa in Malinska, located just 100 meters from the center. Situated on a 447m² plot of land with carefully landscaped gardens, the villa spans 220m² across three levels. In the basement, there is a studio apartment with a bedroom and bathroom. Accessible via traditional steps, the raised ground floor features a kitchen with a dining area, a living room, a bathroom, and a bedroom. The first floor, connected by internal stairs, consists of a terrace with a sea view, two spacious bedrooms, and a study that can be converted into another bedroom. The bedrooms have French balconies and stunning sea views. During the renovation, efforts were made to preserve as many traditional details as possible, such as the fireplace area, the external entrance stairs, and the internal staircase. The villa was built in 1932 and completely renovated in 1990. The landscaped gardens provide ample space for socializing and include a barbecue area. There is also a parking space on the premises. The center of Malinska is only 100 meters</p>
