Description

Description:	<p>We offer you a very interesting, detached stone-built house with a garden. The floor plan of the house is 122 m², and the living space distributed over two floors totals approx. 200 m². The ground floor is an original stone building, and the first floor has been upgraded with brick, concrete and quality wood. On the spacious ground floor there is a kitchen-dining room, a living room with a large open fireplace, a hallway, one bedroom, a storage room and a bathroom. A beautiful open staircase leads to the first floor where there are 3 comfortable bedrooms, an entrance hall and hallway, a bathroom and 2 balconies (one of 8 m², one of 2.5 m²). The large balcony offers a beautiful panoramic view of the sea and Brijuni. The courtyard or yard is in two parts; on the larger part (124 m²) there is also a carport for parking, which can be reached through an iron gate. A smaller part, i.e. a small shed (13 m²) is located on the other side of the house and is used to hold recycling bins and other necessities. The carpentry is all PVC with the appearance</p>
--------------	---

of natural wood, the first phase is split for central heating, and there is also an alarm system. The house is decorated and furnished in a good "Istrian, local style" and exudes a pleasant family atmosphere. For all lovers of this type of construction and decoration, this property could be a real opportunity considering the quite competent price per m2 in today's real estate market conditions.
