Description

Description:	Not far from Marčana, we are selling the construction part of a plot of 1500 m ² out of a total plot of 14254 m ² . The mentioned building part of the plot is in the process of subdivision. The land has a neat access via a public road, in the nature of macadam, and it is 150 m away from the asphalt. An object is being built soon on the neighboring plot, so the road will also be improved. The configuration of the terrain is very good, the slope is towards the south, the surrounding lands are all agricultural. The infrastructure is located nearby.
