Description

Description:	<p>House Malinska - island Krk This autochthonous house built before 1968 is located in Malinska on the island of Krk. The property needs renovation. This is an opportunity for serious investors as the property is located in a great location. It is also possible to remove the property and create two construction sites. The house consists of a ground floor, a first floor and an attic space. From both upper floors there is a view of the sea. There are 6 rooms in total. A cistern for rainwater is located in the spacious yard. There are also large oak trees on the plot, which can be kept during adaptation or new construction.
