Description

Description:	<p>A modern house for sale, located 10 km from the sea. The house has two residential units and is organized on mezzanines that circle around the internal staircase from which all parts of the residential building are accessed. In the basement of the building there is a tavern, a boiler room, a wine store and a toilet. The ground floor has an open garage for two vehicles and a study, and the upper mezzanine of the ground floor has a main hallway and a smaller apartment, with an open space living room and kitchen, two bedrooms and a bathroom. On the 1st floor there is a living room of a larger apartment, a kitchen, a dining room and a storage room. The upper floor contains three bedrooms, a laundry room, and a smaller and larger bathroom. The roof of the building is partly constructed as a flat walkable roof (terrace) of 80 m², which offers a wonderful panoramic view of the sea. It is located in a quiet part of the village, away from the main road. In front of the house there is a possibility of building a swimming pool. The house was built</p>
--------------	--

in 2010, it is well insulated, and all windows and glass walls are made of aluminum. On the roof of the house there is a built-in installation for solar panels that are connected to the central heating system. Great property for living and tourist rental. ID CODE: 300391007-328
