## Description

Description:	<p>For sale is a building plot for tourist purposes T2 of 18494 m<sup>2</sup> for the construction of a tourist resort and is located only 1km from the village of Korenica and 16km from the entrance to the Plitvice Lakes National Park. With its exceptional natural beauty, this area has always attracted nature lovers. Due to the proximity of the most popular National Park in Croatia, in the vicinity there are holiday homes, landscaped forest huts, glamping and many apartments. The whole area is focused on tourism, and there are plans to raise the tourist offer to a higher level in that area. This land is due to its location, an extremely interesting area for investors who would be engaged in renting accommodation and due to its geographical location, the location is popular in both summer and winter.
