#### Description

Description: Istria, Barban, surroundings, just a few minutes from the small medieval town of Barban known for preserving the Istrian tradition, there is a small place where we sell this building land. Location is located 30km from Pula, 15km to the first

beaches and the sea and about 8km to Zminj through which you can easily and quickly reach other beautiful and famous parts of Istria such as Porec or Rovinj ... The land contains a total of 4290m2 of which 500m2 in the construction zone. It is surrounded by forest and nature which provides additional privacy. The plot has its own access road and is located at the end of a secluded village. Great location for building a vacation home or family home. This land is on the very border of the construction zone, which is very interesting for the construction of a holiday home, considering the great privacy that the land provides. ID CODE: 1018-369
