Description

Description: Discover the potential of this grand stone ruin, featuring a 45-square-meter ground floor and the opportunity to rebuild across four spacious floors, offering a total of 190 square meters of living space. This remarkable property is perfect for creating your dream home, charming guest suites, or a luxurious rental investment. Behind the house lies a 20-square-meter cistern, brimming with possibilities. With a touch of creativity, it could be transformed into a stunning pool, a relaxing sauna, or a unique wine cellar—an extraordinary addition to your property. For even more potential, the adjacent property owned by the same seller is also available for purchase. Explore the listing here: [The Architect's House Interested in buying both? A special discount is available when the properties are purchased together, as detailed in this advertisement: Stone House with Adjacent Ruins](#)
