Description

Description:

We offer for sale a building plot that spans 1,335 m² with a beautiful view of the sea. This building land presents an exceptional opportunity for development, thanks to its favorable location and potential for various purposes. Located in close proximity to urban amenities, the plot allows for easy access to all necessary services, making it ideal for the construction of residential properties. Buje, known for its cultural heritage and proximity to the Adriatic coast, provides an excellent balance between urban and natural surroundings. Due to its building purpose, the plot offers the possibility of constructing a residential building, depending on the needs and vision of the investor. Its position in the vicinity of Buje further emphasizes its advantages in terms of accessibility and connectivity to larger city centers and transport hubs. We invite you to explore the potential of this land and consider the wide range of possibilities it offers. Its strategic location and adaptability to various needs make it an excellent investment for the future. Viewing the property is possible with the signing of the brokerage contract, which is the basis for further actions related to the purchase and sale, all in accordance with the Act on Brokerage in Real Estate Transactions. The agency commission is determined by the brokerage contract, and is payable after the conclusion of the sales contract.
