Description

Description:	<p>An apartment for sale in a smaller building with a total of 2 apartments. The apartment is located in an excellent position, in a quiet street, in the center of Opatija, under Nova cesta, just 5 minutes' walk from the sea, the beach and the Lungo Mare promenade. One of the biggest advantages of this property is the possibility of parking several cars in the garden, which is really rare in the center of Opatija. As an additional plus, the apartment has as much as 236 m² of garden for use. The apartment also has its own separate entrance, so the feeling of living is like being at home. The apartment was completely renovated in 2022, it can be moved into immediately, and does not require any additional investments. It is located on the 1st floor with a total area of 81.66 m², and consists of: 2 bedrooms (one of the rooms has its own bathroom), another additional bathroom, living room with kitchen and dining room, hallway, 2 storage rooms and even two terraces. The southern terrace with an open view of the sea, the islands and the center of Opatija can be accessed from the living room, as well as from one of the bedrooms. The northern terrace, also with a view of the sea, is located at the entrance to the apartment and can be used perfectly for enjoying the shade during hot summer days. Another additional bedroom can be built on the northern terrace. The apartment has heating and air conditioning, it is fully furnished and equipped and is being sold as such. Every window in the apartment (except in the bathrooms) has electric blinds as well as mosquito nets. In addition to all of the above, the owned apartment also has a room in the basement with a window, a view of the sea, electricity and water, from which a studio apartment can be</p>
