Description

Description: Rovanjaska MAXXIA presents a luxuriously equipped two-room apartment of 65 m2 in a newly built building. Planned completion of construction by January 2025. The apartment is located on the ground floor. There are 2 residential units on each floor (GF+2F). 1 parking space in the yard of the building. The apartment consists of: - open space kitchen with living room and dining room, - 2 spacious bedrooms, - bathrooms with toilet, - spacious terraces (approx. 12 m2). The building will be built according to the SMART HOME principle, and each apartment will be equipped with a system for digital control of heating, cooling, anti-burglary and anti-fire systems, home lighting, audio/video system, etc. This type of management enables optimal use of energy and simpler management of the apartment.

Underfloor heating and cooling via a heat pump, electric shutters, high-quality glass walls, LED lighting of the terrace and yard, anti-burglary and fire doors, alarm system, etc. Planned installation of solar panels. The floor coverings are first-class ceramics with a large profile. The building is located in a quiet environment in an attractive part of Rovanjaska with a view of the sea and islands, approx. 350 m away from sea! All additional information on request. TOUR OF THE PROPERTY INSURED 7/7 DAYS BY PRIOR ARRANGEMENT!
