Description

Description:	<p>ISTRIA, LABIN - Building land near the old town On a hill above the tourist town of Rabac, lies the medieval town of Labin, whose old name Albona was first mentioned in 285 AD. Today, it is a cultural and administrative center where the richness of architecture and cultural and historical monuments is rarely so charmingly combined with numerous art studios and the breath of youth that gathers there, especially in the evenings in cafes. Near Labin and the first beaches, a building plot of 950 m² is for sale, ideal for a family house or a house for tourist rental. The land is flat, with a few trees. It has a regular shape and is located along an asphalt road. There is a row of trees between the plot and the road, so the land is hidden from the view of passers-by. It is located on the edge of a construction zone, which ensures privacy and intimacy. Electricity and water are nearby, and the settlement will soon receive sewage. If you want your own refuge a few minutes from the city center, this land is right for you. Opportunity! Dear clients, the agency commission is charged in accordance with the General Terms and Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 35429</p>
