Description

Description: The Istrian region is known as one of the most suitable regions for living, and offers many natural beauties supported by a warm Mediterranean climate and a very friendly local population. This spacious building plot of 1250 m² is located in the municipality of Ližnjan, in the settlement of Šišan, in an excellent location, of which about 800 m² is for construction purposes, and the rest is agricultural. The plot is rectangular in shape and has a neat access road and is about 150 meters away from the main asphalt road. It is surrounded by beautiful nature and greenery, not far from all the supporting facilities necessary for everyday life. The aforementioned land represents an interesting real estate due to its area, location and proximity to all supporting facilities and offers various possibilities to the future owner in terms of building living facilities, as well as the possibility of building tourist facilities and engaging in catering activities for renting them out, and guarantees a quick return on investment.
