Na okućnici se nalaze masline, zrele i visoko produktivne mandarine, limun, orah, smokve, trešnje i kaki, plus grožđe i loza kivija iznad velike nadstrešnice za automobil. Ova nekretnina je idealna prilika za one koji traže obiteljsku kuću, kuću za odmor ili kao investiciju. Veliko zemljište pruža mogućnost izgradnje dodatnog objekta/kuće i/ili bazena. This family house in Peroj is a one time opportunity, with beautiful views of the sea from its elevated position. It is only 10 minutes walk to the beach, and conveniently located 300 meters from the heart of the village with its small market, bakery, church and other amenities. The magnificent garden is possible due to a permanent source of ground water pumped from a well in the garden. This property is an ideal opportunity for those seeking a family home or a holiday villa investment. The large land offers the possibility of building a large swimming pool and a second house. The surrounding parcels of land have recently received permission to build apartment buildings to 3 levels which means opportunity for further development on this big piece of land in the future.
