Σχετικά με
εμάς: ARS Agency, the real estate
agency, was established back in
1992 and we operate on the
area of Istria, with emphasis on
eastern Istria, the surroundings
of Labin and Rabac.

In 2003 the Agency was registered in the Golden Book of prominent Croatian entrepreneurs and in 2009 it was registered in the Real Estate Mediator Registry, kept at the Croatian Chamber of Commerce.

Our years-long experience has enabled us to provide a professional service from start to finish and an individual approach for our clients who are either in search of their new home or purchasing a real property for investment purposes.

For a long number of years, which brought many changes in legislation and on the real estate market, with constant professional development and keeping up with the changes, we have successfully guided and consulted our clients in property transactions. The characteristics we cherish are integrity, conscientiousness and thoroughness.

Our relationship with clients does not often end with the purchase itself. Our clients keep in touch and contact us whenever they have the opportunity. Our cordiality and friendship leave a permanent mark in almost every purchase in which we participated as agents.

Our networking and cooperation with partner agencies on the area of Istria, Rijeka and Dalmatia enables us to quickly find what our clients require.

Real estate purchase is a very important investment; therefore we as agents always keep the balance between the needs and demands of the buyers and sellers. Our duty is to take care and protect the interests of both buyers and sellers.
