### Descrizione

Informazioni aggiuntive: Omišalj, as the oldest place on the island of Krk, is located on a cliff at 85 m above sea level, which protects the bay from the storm and has the most beautiful view of the Kvarner Bay. It is the cultural center of the island of Krk, and in addition to its dominant position, it is known for its beautiful beaches and clear sea, which is confirmed by receiving blue flags. On a plot of 980 m<sup>2</sup>, a modern design project is being developed with a spectacular view of the sea, the city of Rijeka and beautiful

Opatija. On the first floor of a residential building, facing south, an apartment with a sea view is for sale. The apartment on the west side extends to 92.64 m<sup>2</sup> and consists of two comfortable bedrooms, each of which has 12 m<sup>2</sup> and each room has large floor-to-ceiling windows. The modern bathroom is full of light, and the living room comes with a kitchen and dining area. The kitchen has a granite worktop, induction hob, dishwasher and oven. The covered terrace, of 17.28 m<sup>2</sup>, protects from the sun and rain and is surrounded by a glass fence so that it does not interfere with the beautiful view at any time of day. The apartment has underfloor heating via a heat pump with the possibility of heating and cooling via the Internet (complete smart technology). The building has aluminum joinery with electronic shutters. The apartment has one parking space, and additional equipment includes chargers for charging electric cars. The beautiful beach is approx. 550m, and to the city center 1000m. ID CODE: EI-3243
