Our business is oriented
 primarily to the area of the
 Istria County. We provide
 brokerage services in the
 purchase and sale in such a way
 that we fully respect the wishes
 and interests of the clients and
 search for the best opportunity
 for them. In the event that the
 client sells the property, we
 help prepare the property for
 the photo shoot and advertise it
 on various websites and social
 networks.

We inspect all documents and other documentation regarding the property, and warn clients about all legal deficiencies regarding the property. If the clients so wish, we bring them in contact with attorneys with many years of experience in real estate. We provide consulting services and full support in the event that the clients need to obtain a loan from the bank for the purchase of the property, as well as in the event that they want to buy the property through a public auction (foreclosure, bankruptcy, in court or through the Financial Agency). With a power of attorney, we provide bidding services at a public auction through the Financial Agency in the name and on behalf of the clients, up to the amount specified by the clients.
