Descrizione

Informazioni aggiuntive: A modern semi-detached house under construction in Malinska on the island of Krk is for sale. The house has a living area of approx. 156 m², extends to the

basement, ground floor and first floor. There is a garage and a storage room in the basement. On the ground floor there is a hallway, storage room/laundry room, toilet, kitchen with dining room and living room and a terrace with a landscaped garden. The staircase leads to the first floor where there are three bedrooms, two of which have their own bathroom. One outdoor parking space and a garage are available. High-quality materials and equipment are used in the construction, such as high-quality ceramic tiles in the bathrooms and living room, high-quality laminate in the bedrooms, PVC joinery with electric blind lifters, and security doors. Cooling and heating via inverter multi-split system. The living room and rooms will have an internal air conditioning unit. Electric underfloor heating will be installed in the living room and bathrooms. If the property is purchased in the construction phase, there is the possibility of choosing all floor coverings as desired (parquet, laminate, ceramics) by agreement. Moving in is planned for June 2025. Urban location, about 650 m from the sea and the center, close to all facilities, restaurants, school, children's playground and public transport station. The property is ideal for vacation, but also for living all year round. ID CODE: EI-5664
