 О нас: MAR-ING NEKRETNINE is a Croatian real estate agency, based in Zadar, which is adapted to market development and business conditions with clients in Croatia and outside Croatia.

The agency's way of working, as well as a detailed approach to each individual client, enables the principal to realize his intention to mutual satisfaction.

Recognizing the needs of each client is the basic approach by which we achieve long-term contact and recommendations.

When evaluating real estate, we are guided by a market policy that dictates prices based on the environment, appearance and location.

Within the agency, it is possible to contract services related to:

real estate assessment - market
 or building value
 creation of project
 documentation
 preparation of geodetic projects
 legal services related to the
 resolution of property legal
 affairs
 construction offers related to
 the reconstruction or new
 construction of buildings in
 accordance with project
 documentation
 landscaping services for
 apartment buildings, gardens of
 family houses and land areas
 (removal of waste, small repairs
 and execution of minor
 construction works)

In the sale of real estate, we
 participate as mediators
 correctly and with the attention
 of a good businessman, by
 which we warn the buyer as
 well as the seller of all possible
 shortcomings of the real estate
 in circulation and the ways in
 which these shortcomings could
 be eliminated.
