О нас:	MAR-ING NEKRETNINE is a Croatian real estate agency, based in Zadar, which is adapted to market development and business conditions with clients in Croatia and outside Croatia.

The agency's way of working, as well as a detailed approach to each individual client, enables the principal to realize his intention to mutual satisfaction.

Recognizing the needs of each client is the basic approach by which we achieve long-term contact and recommendations.

When evaluating real estate, we are guided by a market policy that dictates prices based on the environment, appearance and location.

Within the agency, it is possible to contract services related to:

real estate assessment - market
or building value
creation of project
documentation
preparation of geodetic projects
legal services related to the
resolution of property legal
affairs
construction offers related to
the reconstruction or new
construction of buildings in
accordance with project
documentation
landscaping services for
apartment buildings, gardens of
family houses and land areas
(removal of waste, small repairs
and execution of minor
construction works)

In the sale of real estate, we
participate as mediators
correctly and with the attention
of a good businessman, by
which we warn the buyer as
well as the seller of all possible
shortcomings of the real estate
in circulation and the ways in
which these shortcomings could
be eliminated.
