Описание

Дополнительная информация: Nice plot with an even nicer view of Barajevo-Beljina In the quiet place of Beljina, only 8 km from Bajaevo, in a quiet and beautiful street, we recommend this plot,

which they say is currently the most beautiful on the street. The plot has a regular shape with a very slight slope, just as it should be, fenced, stately and tidy. Electricity, water and gas pass next to the plot. The plot is registered. Currently, it is listed as agricultural in the Real Estate Cadastre, but it is being converted (at the seller's expense) so we are selling it as a construction site. The entire width of the plot is an asphalt road. The lot is exceptional and we are happy to recommend it to you, because the lot offers a wonderful view. Agency commission is 1000eur.
